The lucky recipient served in both the US Army and the US Coast Guard and is a current member of the VFW 921 in Snohomish, WA.

The presentation will take place on April 9th from 3pm-5pm at Elite Collision Center 1701 W Main St, Battle Ground, WA 98604.

This event was made possible by Elite Collision Center in partnership with NABC Recycled Rides® as well as additional contributors; Esurance, Axalta, Art Morse Auto Repair, Veterans of Foreign Wars, Wash Me Mobile Detailing and Pacific Perks.

Media Opportunities: Media members will have an opportunity to cover the unveiling of the cars and presentation to the recipients, as well as interview the recipients and representatives from the insurance partners and the collision repair partners.

Since the inception of the NABC Recycled Rides® program in 2007, members of the National Auto Body Council® have donated more than 2,500 vehicles valued at more than \$36 million.
